

Scanning and Publishing

- Multiple networked Macintosh & Windows computers for expert retouching and page assembly
- Raster Image Processing (RIP) via Rampage Dual 2.4 GHz Xeons platforms (3)
- Software support: all major Mac & PC applications

Digital Proofing

- AGFA Sherpa 44m Dot-4-Dot high resolution digital proofing system (2)
- AGFA Grand Sherpamatic 50 digital blueline proofing system

Digital Plate Making:

- AGFA Avalon LF PlateManager computer-to-plate system with inline Elantrix 85H plate processor

Offset Printing Equipment:

- Mitsubishi 28" x 40" six-color sheet-fed press with inline aqueous coater, extended delivery system and Diamond 3M LS computer console
- Mitsubishi 28" x 40" six-color sheet-fed press with inline aqueous coater, extended delivery system and computer console
- Mitsubishi 28" x 40" six-color sheet-fed press with inline aqueous coater, extended delivery system and computer console
- Heidelberg 20" x 29" five-color sheet-fed press with inline aqueous coater & computer console

Digital Printing Equipment

- Canon image PRESS C7000VP:
 - 13" x 19" digital press
 - True 1200 x 1200 dpi color or black & white output at 70 pages per minute using oil-free Canon V-Toner
 - Paper wt. capacity from 17 lb. text - 110 lb. cover
 - Automatic duplexing/perfecting on supported stocks In-line folder & saddle-stitcher and/or corner stapler
 - Variable Data Printing – offering customized copy and image changes offering high response rates.

Finishing

- Heidelberg 25" x 35" die-cutting cylinder press
- Omega 6-station, with cover feeder, stitcher/trimmer with inline hard-fold capabilities
- Stahl 30" three-section folder with continuous feed and inline perforating and scoring
- Stahl 26" three-section folder configured as 30"
- Stahl 21" three-section folder configured as 30"
- Baum Folder 2018 (3)
- Polar Mohr 82EL cutter
- Duplo DBM 5000 Booklet Makers (2)
- Nygren-Dahly three-head adjustable drill
- Minipack-Torre 18" auto shrink wrappers (3)

Customized Distribution Services

- Collating, sorting & inserting of marketing materials
- Fulfillment and shipping of pick & pack orders
- Inventory management, storage & reporting
- Online tracking & delivery confirmation

Letter Shop Personalization & Mailing

- File & list management/processing applications
- RSI inkjet addressing systems, each configured with double-head 4-color capabilities (2)
- Hewlett-Packard LaserJet 2300 printer
- Lexmark T632 laser printer
- Xerox-Nuvera 120 digital printer – black (2)
- Xerox-Nuvera 120EA digital printer
- Ricoh 156 ASA
- MCS Arra inkjet (2)
- Buskro Atlas inkjet (2)
- Bell & Howell six-station inserter
- Midwest Pacific poly-bag heat seal machines (2)
- ProFold tabber/wafer seal machines (2)
- Ameritek T-90 tabbing
- Semi-automatic mail tray banding
- Xerox Nuvera 288 Perfecting Production System
